Dear Sir/Madam,

RE: Full Stack Developer

I am writing to apply for the above mentioned position in your organization as advertised on your website.

I graduated from Karatina University with a Bachelor of Science degree in Computer Science, and did my CISCO (CCNA 1 & CCNA 2) training at KCA University.

I have skills and experience on web development technologies and frameworks notably on: HTML5, CSS3, JavaScript, Ajax, jQuery, SQL, MySQL, XML, ASP.NET, PHP, Python, SOAP and REST. I have developed using content management systems such as Joomla, Wordpress, Drupal, and Zend PHP Framework. In addition I am an experienced graphic designer using Adobe Photoshop and Corel Draw.

I have specialized experience setting up and supporting various development environments both on premise and on the cloud as a skilled DevOps Engineer.

For additional information, please find attached copy of my resume.

Thank you, looking forward to hearing from you.

Yours faithfully,
Peter Mutemi,
